This screenshot shows the Active Directory Users and Computers interface in the Server Manager. On the left, there's a navigation pane with links like Dashboard, Local Server, All Servers, AD DS, DNS, and File and S... The main area displays a tree view of Active Directory structures under 'Active Directory Users and Computers'. It shows several organizational units (OU) such as 'lab.local' (containing 'Builtin', 'Computers', 'Domain Controllers', 'ForeignSecurityPrincipal', 'Managed Service Account', and 'Users'), and a custom OU 'Firma_lab' (containing 'Administracja', 'IT', and 'HR'). A table below the tree lists these objects by name, type, and description. At the bottom, there are two 'BPA results' cards.

This screenshot shows the 'New Object - User' dialog box. The 'Create in' dropdown is set to 'lab local/Firma_Jab/IT'. The form fields are filled with 'Jan' for First name, 'Kowalski' for Last name, and 'Jan Kowalski' for Full name. The User logon name field contains 'j.kowalski' with '@lab.local' selected in the dropdown. Below it, the User logon name (pre-Windows 2000) field has 'LAB\j.kowalski' entered. At the bottom, there are 'Back', 'Next >', and 'Cancel' buttons. The background shows the same Active Directory structure as the previous screenshot.

This screenshot shows the Active Directory Users and Computers interface in the Server Manager. On the left, there's a navigation pane with links like Dashboard, Local Server, All Servers, AD DS, DNS, and File and S... In the main area, the Active Directory Users and Computers window is open. It shows a table with one user entry: Jan Kowalski (User). Below the table, the structure of the Active Directory is displayed, including the Builtin, Computers, Domain Controllers, ForeignSecurityPrincipal, Managed Service Account, Users, and Firma_lab containers. The Firma_lab container is expanded, showing three groups: Administracja, IT, and HR. At the bottom of the interface, there are two 'BPA results' sections and a taskbar with various icons and the date/time (29.01.2026).

Detailed description: This screenshot shows the Windows Server Manager interface. On the left, there's a navigation pane with links like 'Dashboard', 'Local Server', 'All Servers', 'AD DS', 'DNS', and 'File and Services'. The main area is titled 'Active Directory Users and Computers' and shows a tree view of the domain structure. Under 'lab.local', it lists 'Builtin', 'Computers', 'Domain Controllers', 'Firma_lab' (which is expanded to show 'Administracja', 'HR', and 'IT'), 'ForeignSecurityPrincipal', 'Managed Service Account', and 'Users'. A table below the tree view shows a single user entry: 'Name' (Anna Nowak), 'Type' (User), and 'Description' (empty). At the bottom of the window, there are sections for 'Services', 'Performance', and 'BPA results' for both the domain and the 'Firma_lab' container. The taskbar at the bottom has the Windows logo, a search bar with placeholder text 'Type here to search', and several pinned icons (File Explorer, Edge, Task View, File History, Task Scheduler, Task Manager, and a Mail icon with 4 notifications). The system tray shows the date and time (14:06, 29.01.2026) and some status icons.
